Workshop for the perfect apéro mix of drinks and bites

APÉRITIF WORKSHOP

NUDGE • FEAST

Let's get together and create the perfect drinks reception! Come and mix, shake and stir some pre-dinner cocktails together with the professional barkeeper. He (or she) will be happy to offer an insight into the craft and pass on some interesting information about composing the drinks. Those members of the group who prefer to be active in the kitchen will be busy preparing the appetisers, and we'll serve each other our creations during the course of the event.
